

cleanliness and beautification of hair, such as arranging, dressing, curling, waving, permanent waving, cleansing, cutting, singeing, arching of eyebrows, dyeing of eyebrows and eyelashes, bleaching, coloring, or similar work thereon and thereabout, ~~and the removal of superfluous hair,~~ and the massaging, cleansing, stimulating, exercising, or similar work upon the scalp, face, arms or hands, by the use of mechanical or electrical apparatus or appliances or cosmetics, preparations, tonics, antiseptics, creams or lotions or by any other means, and of manicuring and pedicuring the nails of either sex, which enumerated practices shall be inclusive of the term beauty culture but not in limitation thereof. The term does not include any individual service which cosmetologists are not licensed to perform under this subtitle.

[(1) The word "electrologist" shall mean any person licensed to remove surplus hair by means of specially designed electrical apparatus or appliances.]

532.

[(h) No person shall be permitted to take an examination to receive a certificate as an instructor of electrology unless said person is at least eighteen years of age, a high school graduate or equivalent, has satisfactorily completed the educational requirements established by the Board of Cosmetologists, and has been engaged in the active and full-time practice of electrology for a period of at least two years immediately preceding the filing of an application.]

535.

Any person licensed to practice hairdressing and beauty culture in any other state, territory or District of Columbia, under requirements substantially equal to or in excess of those specified in this subtitle, shall upon the payment of a fee of \$25.00 be entitled to a certificate of registration without examination. This section does not exempt those seeking registration as a teacher, OR manager[, or electrologist] from taking an examination.

536.

[(c) No school of practical electrology shall be granted a certificate of registration unless it shall attach to its staff, as a consultant, a person licensed by this State to practice medicine, and employ and maintain licensed instructors of electrology, registered as such. Rules and regulations governing the establishment and operation of a school of practical electrology shall be promulgated by the Board of Cosmetologists.]

[(d) (C) Courses in the practice of massaging the face or applying cosmetic preparations, antiseptics, tonics, lotions, or creams to the face, ~~and removing superfluous hair by the use of tweezers, depilatories, or waxes,~~ and
