1978 DEFICIENCY APPROPRIATION

23.05.01.02 General Emergency Fund

To become available immediately upon passage of this budget to supplement the appropriation for Fiscal Year 1978 in order to provide funds to the Board of Public Works. These funds are to be used for supplementing appropriations in the budget for Fiscal Year 1978 where it is found that the regular appropriations are insufficient for the operating expenses of the Government beyond those which are contemplated at the time of the appropriation of the budget for this Fiscal Year, or for any other contingencies which might arise within State or other governmental agencies, or as provided by law, during the Fiscal Year for which adequate provision has not been made in this budget.
