

and duties; and permitting Carroll County to provide certain procedures to implement this program.

May 27, 1980

Honorable Benjamin L. Cardin
Speaker of the House of Delegates
State House
Annapolis, Maryland 21404

Dear Mr. Speaker:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed House Bill 1320.

This measure would authorize the Carroll County Commissioners to grant property tax credits to the owners of unsold, unrented, and unoccupied newly constructed single family dwellings.

Under present law, different provisions of Article 81 authorize various subdivisions to grant a local property tax for various kinds of property. In what I view as a wise decision to bring uniformity to the property tax credit laws of the several subdivisions, the 1980 Session passed and I have today signed Senate Bill 820 which would repeal provisions such as that extended by House Bill 1320 and would enact in its place a standard local property tax credit authorization for all subdivisions.

For this reason, I have decided to veto House Bill 1320.

Sincerely,
Harry Hughes
Governor
