REVISOR'S NOTE: This section is new language derived without substantive change from Art. 43, §§ 121(2) and 123.

In subsection (d) of this section the references to the "American Medical Association" are substituted for the obsolete references to "the Association of American Medical Colleges", the "Council on Medical Education of the American Medical Association", the "American Medical Association Council on Medical Education", or the "National Commission on Accrediting".

In subsection (d)(1) of this section, the phrase "or its equivalent" as it refers to a degree of doctor of medicine is added for clarity and to indicate that some foreign medical schools use terms other than "doctor of medicine" for the degrees they award.

In subsection (d)(2)(ii) of this section and elsewhere in this title, "postgraduate medical training" is substituted for the present references to internship, for clarity and to conform with modern medical terminology.

Subsection (e) of this section is added to this and, where necessary, corresponding sections of other titles of this article to state expressly that if a license applicant is required to take an examination under this subtitle, then the
