

(b) The Commissioner may not participate in any decision or act affected by the conflict of interest.

12-104.

A commissioner of the WSSC [from Montgomery County] may not attempt to influence a county or State official in the conduct of the official's duties for a purpose contrary to the provisions of this title or Article 40A of the Code.

12-105.

(a) If a commissioner or employee of the WSSC [from Prince George's County] receives an ex parte communication concerning a case where a determination or decision is required by law to be made only after a public hearing for interested parties, the Commissioner or employee shall make the ex parte communication public and part of the record of the proceeding.

(b) If a commissioner or employee of the WSSC [from Prince George's County] receives an ex parte communication concerning the merits of a case where the commissioner or employee determination or decision is required by law to be made only after a public hearing for interested parties:

(1) The substance of an oral ex parte communication shall be noted for purposes of the record; and

(2) The substance of a written ex parte communication shall be placed on the record.

12-106.

[(a) Notwithstanding any provision of law to the contrary, a commissioner of the WSSC from Montgomery County may not violate any provision of this title or of Article 40A of the Code.

(b) Notwithstanding any provision of law to the contrary, a commissioner or employee of the WSSC [from Prince George's County] may not willfully and knowingly violate any provision of this title or of Article 40A of the Code.

12-202.

(a) (1) [In Montgomery County, on] ON or before June 1 of each year, each commissioner shall disclose in writing to the COMMISSIONER'S RESPECTIVE County Executive and the County Council all financial interests in property holdings in this State and in the greater Washington Metropolitan area of:
