

This bill extends the start of the Vehicle Emissions Inspection Program from December 31, 1982 to June 30, 1983.

Senate Bill 34, which was passed by the General Assembly and signed by me on June 1, 1982, accomplishes the same purpose. Therefore it is not necessary for me to sign House Bill 1289.

Sincerely,  
Harry Hughes  
Governor

House Bill No. 1305

AN ACT concerning

Homicide-By-Intoxicated-Driver-of-Meter-Vehicle---Evidence  
of-Chemical-Test-fer-Alcohol  
Chemical Test for Alcohol - Evidence

~~FOR the purpose of clarifying that a chemical test of a person's breath or blood may be administered to a person who is prosecuted for committing homicide in a certain manner while intoxicated, providing that evidence of the chemical test is admissible in the prosecution of the person even in the absence of compliance with a certain provision concerning the person's right to select the type of chemical test administered, under certain circumstances, providing for certain consent to the taking of a chemical test under certain circumstances, and clarifying language.~~

FOR the purpose of providing that evidence of a certain chemical analysis is not admissible in a certain prosecution under certain circumstances; providing that the admissibility of evidence of a certain chemical analysis is not precluded or limited by a certain provision under certain circumstances; clarifying language; and generally relating to a chemical test for alcohol.
