

Article 43, § 568N.

In subsection (a)(2) of this section, the reference to "the Administrative Procedure Act" is substituted for "§§ 255 and 256 of Article 41", for clarity.

In subsection (b) of this section, the former references to an appeal "whether administrative or judicial", "an administrative or judicial" decision, and leave by an "agency" are deleted in light of the apparent intent of Ch. 870, Acts of 1975. That Act deleted from the former law the requirement that a decision by the Commission be appealed first to the Board of Review of the Department under Article 41, §§ 206A and 206B. The retention of the former phrases, therefore, was an apparent oversight in the drafting of Ch. 870, Acts of 1975, and was not intended to imply any review by the Board of Review of the Department. In practice, appeal has been to a court and not to the Board of Review.

The only other changes are in style.

Defined terms: "Commission" § 19-201
