

also include, by way of further enumerated example rather than limitation, and notwithstanding any other provision or limitation of State or local law:

(i) Provisions for the establishment and implementation of programs, controls, standards, priorities, and quotas for the allocation, conservation, and consumption of energy resources;

(ii) The suspension and modification of existing standards and requirements affecting or affected by the use of energy resources, including those relating to air quality control, the type and composition of various energy resources, the production and distribution of energy resources, and the hours and days during which public buildings and commercial and industrial establishments may or are required to remain open; and/or

(iii) The establishment and implementation of regional programs and agreements for the purposes of coordinating the energy resource programs and actions of the State with those of the federal government and of other states and localities.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act is hereby declared to be an emergency measure and necessary for the immediate preservation of the public health and safety and having been passed by a ye and nay vote supported by three-fifths of all the members elected to each of the two Houses of the General Assembly, the same shall take effect from the date of its passage.

Approved March 25, 1983.

CHAPTER 4

(House Bill 155)

AN ACT concerning

Housing Authority - Derivation of Authority

FOR the purpose of providing that solely for purposes of certain public approval requirements of the Internal Revenue Code of 1954 (as amended) relating to the issuance of tax exempt obligations, the authority of a housing authority is derived from certain action by the local governing body which determines the need for its existence and authorizes it to function therein; and making this Act an emergency measure.
