(C) OFFICES AND STAFF.

THE COMMISSION MAY HAVE OFFICES AND EMPLOY A STAFF AND CONSULTANTS IN ACCORDANCE WITH THE STATE BUDGET.

REVISOR'S NOTE: Subsection (a)(1) of this section is standard language added for clarity.

Subsections (a)(2) through (c) of this section are new language derived without substantive change from former Art. 41, § 360(d) and the third sentence of (b).

In subsection (b) of this section, the former reference to "proper ... expenses incurred in the discharge of their duties on the Commission" is deleted in light of the reference to Standard State Travel Regulations. The Standard State Travel Regulations are adopted by the Department of Personnel with the approval of the Board of Public Works.

In subsection (c) of this section, the former word "provide", which preceded the words "such employees ... and office facilities as may be provided in the State budget from time to time", is deleted as an apparent error in the enactment of former Art. 41, § 360(d) by Ch. 202, Acts of 1965.

Also in subsection (c) of this section, the former words "employees" and "assistants" are deleted as unnecessary in light of the broad word "staff".
