3-216.

(d) (2) Expenditures under this subsection shall be made in accordance with any appropriation provided for in any applicable budget bill or supplementary appropriation bill. However, an appropriation proposed to be made to any unit in the Department or proposed to be made for any designated transportation activity, function, or undertaking that has been reduced by the General Assembly may not be restored, for the same purpose as originally proposed, except in an emergency, by the budget amendment procedure of § 7-209 of the State Finance and Procurement Article, or otherwise if the General Assembly in striking or reducing the appropriation, prohibited its restoration. However, except for emergency capital projects, if the General Assembly explicitly reduces in the budget bill an appropriation proposed for a major capital project as defined in [§ 2-103.1(a)(3)] § 2-103.1(A)(4) of the Transportation Article, the appropriation may not be restored for the same purpose as originally proposed by the budget amendment procedure of § 7-209 of the State Finance and Procurement Article or otherwise unless the General Assembly, in striking or reducing the appropriation, expressly authorized its restoration.

DRAFTER'S NOTE: This corrects an outdated cross-reference in § 3-216(d)(2) of the Transportation Article.

TR § 2-103.1(a)(3) became TR § 2-103.1(a)(4) in Ch. 11 of the Acts of the Regular Session of the General Assembly of 1985.

The outdated cross-reference was noted by the Michie Company.
