AN ACT concerning

Racing - Sunday and Allocation of Revenues

FOR the purpose of broadening a certain authorization of Sunday racing under certain conditions; requiring that if the Preakness Stakes is transferred, other than as a result of certain circumstances, or sold to a buyer other than the State of Maryland, the allocation of pari-mutuel wagering revenues of certain thoroughbred racetracks be altered; providing that the Preakness Stakes may be transferred to another track in Maryland only as a result of a disaster or an emergency situation; providing that the State reserves the right of first refusal of any bona fide offer to purchase the Preakness Stakes; requiring that the State be notified by the licensee within a certain time period of any bona fide offer to purchase the Preakness Stakes; requiring that within a certain time period after receipt of the notification of the bona fide offer, the State must submit an offer that at least matches the terms and conditions of the bona fide offer; providing that racing conducted on any Sunday at any tracks operated by certain licensees shall begin and end at certain times; making certain technical changes; requiring the Department of Fiscal Services to study the impact of Sunday racing at mile thoroughbred tracks and, by a certain date, submit a certain report to the Legislative Policy Committee and the Department of Budget and Fiscal Planning; making this Act contingent on the taking effect of a certain other Act; and generally relating to racing laws in the State.
