

WILLIAM DONALD SCHAEFER, Governor

All Departments of the Executive Branch, all Commissions, Boards, and all State Colleges and Universities shall establish under the criteria of Section 1 of the Executive Order guidelines of the policy contained within and the mean for the enforcement of the same by October 1, 1987. The smoking policy review committee shall report to the Secretary or Director for approval of the guidelines and such guidelines must be accomplished under existing resources.

(C) Enforcement of Smoking Policy

All employees share in the responsibility for adhering to and enforcing this policy, and have the responsibility for bringing it to the attention of visitors. Any conflicts should be brought to the attention of the appropriate supervisory personnel. Noncompliance will be addressed the same as other policy violations. Employee concerns about their treatment under this policy or problems arising from the implementation of this policy shall be resolved by the Smoking Policy Review Committee. In the development of specific guidelines or the resolution of specific problems relating to the State's smoking policy, the Committee shall give reasonable priority to the needs of nonsmokers.

-----

EXECUTIVE ORDER OF MAY 14, 1987

01.01.1987.14

GOVERNOR'S ADVISORY COUNCIL ON  
ACQUIRED IMMUNE DEFICIENCY SYNDROME

WHEREAS, The State of Maryland is concerned with enhancing and protecting the health of all of the State's citizens; and

WHEREAS, The incidence of Acquired Immune Deficiency Syndrome (AIDS) continues to increase dramatically; and

WHEREAS, Prevention is the only available method to arrest the spread of the disease; and

WHEREAS, State and local governments, and the private sector need to be informed about the facts of the disease, its transmission, as well as proposed educational programs designed to inform the general public about prevention; and
