22-102.

(d) When the Administrator has reason to believe that a device approved under this title is being sold commercially and does not comply with the applicable standards for the device, he may, after giving 30 [days] DAYS' previous notice to the person who has received the approval for the device, conduct a hearing on the question of compliance of the approved device. After the hearing, the Administrator shall determine whether the devices being sold meet the requirements for approval. If the devices do not meet these requirements, he shall give notice to the person who has received the previous approval.

DRAFTER'S NOTE:

Error: Punctuation omitted in § 22-102(d) of the Transportation Article.

Occurred: Ch. 14, Acts of 1977.

22-203.
