

- 001 Complete design and construct Tawes State Office Building pod "E"..... 11,400,000
11,000,000

- 002 Purchase the Attman-Glazer Building at 45 Calvert Street in Annapolis..... 10,000,000
8,000,000
9,000,000

- 003 Design/build a State office complex in Crownsville on State-owned land, provided that prior to selection of the final site for this building, the Administration is requested to examine other State-owned site location alternatives, including lots "C" and "D" on Rowe Boulevard.
Further provided that if the building is to be located on the grounds of the Crownsville State Hospital, the following conditions shall apply:
(a) The State Highway Administration shall exert every reasonable effort to improve road access into the site, minimizing the impact on local traffic patterns, especially on Crownsville Road and the Generals Highway (Route 178). If road, intersection, or signalization improvements are needed, on county or State roads, in order to improve this access, the Highway Administration shall absorb the costs of the improvements.
(b) The project shall be located so as to minimize interference with or competition with the functions of the Crownsville State Hospital.
Further provided that the Department of Health and Mental Hygiene shall complete arrangements for the transfer of the balance of the Whitney's Landing Farm Property located along Evergreen and Sunrise Beach
