Bill No. 59-88

AN EMERGENCY ORDINANCE concerning

Floodplain Management

FOR the purpose of adopting a new floodplain management ordinance for the County.

WHEREAS, certain areas of Anne Arundel County are subject to periodic inundation which results in loss of life and property, risks to health and safety, disruption of commerce and governmental services, and extraordinary public expenditures for flood protection and relief; and

WHEREAS, flood losses and associated losses are created by structures inappropriately located, inadequately elevated or otherwise unprotected and vulnerable to floods or by development which increases flood damage to other lands or developments; and

WHEREAS, the biological values of floodplains, particularly tidal and non-tidal wetlands, can be adversely affected by floodplain development; and
