

serious deformity or abnormality; or where it can be ascertained by the physician with a reasonable degree of medical certainty that termination of pregnancy is medically necessary because there is substantial risk that continuation of the pregnancy could have a serious and adverse effect on the woman's present or future physical health; or before an abortion can be performed on the grounds of mental health there must be certification in writing by the physician or surgeon that in his or her professional judgment there exists medical evidence that continuation of the pregnancy is creating a serious effect on the woman's present mental health and if carried to term there is a substantial risk of a serious or long lasting effect on the woman's future mental health ; and further provided, that the foregoing restrictions shall be of no force and effect if SB 311 or HB 482 is enacted and the enacted bill contains a provision that requires the Secretary of Human Resources to revise the Statewide schedule of AFDC benefits by eliminating the increment in cash benefits to be paid to a recipient under the AFDC program for which the recipient would otherwise be eligible as a result of the birth of a dependent child. And further provided that \$4,300,000 of this amount will be reduced contingent upon the enactment of SB 153.....
