

**REVISOR'S NOTE:** This section is new language derived without substantive change from former Art. 41, § 4-1105.

In subsection (b) of this section, the reference to "residents of the State" is substituted for the former reference to "citizens" for clarity because the meaning of the term "citizen" is unclear. See General Revisor's Note to this article.

Defined terms: "Division" § 6-101

"Parolee" § 6-101

GENERAL REVISOR'S NOTE TO SUBTITLE:

Former Art. 41, § 4-105(b), which provided for the reorganization of the former Department of Parole and Probation as the Division of Parole and Probation effective July 1, 1970, is apparently obsolete. However, to avoid any inadvertent substantive effect its repeal might have, it is transferred to the Session Laws.

The part of former Art. 41, § 4-610 that required the State's Attorneys to make and transmit to the Division of Parole and Probation and the Division of Correction a resume of facts and evidence for certain types of cases is revised in Art. 10, § 40A.

Former Art. 41, § 4-613, which provided for the severability of the provisions of former Art. 41, §§ 4-601 through 4-613, is deleted as unnecessary in light of Art. 1, § 23 of the Code.

As to the general policy of the Correctional Services Article Review Committee concerning changes to interstate compacts, see General Revisor's Note to this subtitle.

6-202. CONSENT OF CONGRESS.

**REVISOR'S NOTE:** This section formerly was the second unnumbered paragraph of the introductory language of Art. 41, § 4-801.
