

(3) A PENALTY IMPOSED UNDER THIS SUBSECTION IS IN ADDITION TO AND NOT A SUBSTITUTE FOR ANY OTHER PENALTY AUTHORIZED UNDER FEDERAL, STATE, OR LOCAL LAW.

REVISOR'S NOTE: Subsection (a) of this section is new language added to avoid repetition of the full title of the "Department of Housing and Community Development".

Subsections (b) through (j) of this section are new language derived without substantive change from former Art. 83B, § 6-103.

Throughout this section, the reference to a "political subdivision" is substituted for the former references to "local political subdivision", "subdivision", and "local subdivision" for clarity and consistency.

In subsections (c), (e)(2)(ii), and (i)(2) and (3) of this section, the reference to the "Department" is substituted for the former reference to the "Secretary" for consistency throughout this section and this subtitle.

In subsection (d)(1) of this section, the reference to the "Minimum Livability Code" is substituted for the former reference to the "livability code" for clarity and consistency throughout this section. Similarly, in subsection (d)(2)(ii) of this section, the reference to the "Minimum Livability Code" is substituted for the former reference to the "statewide livability code". Similarly, in subsection (j)(1) of this section, the reference to the "Minimum Livability Code" is substituted for the former reference to the "housing livability code adopted under subsection (a) of this section".

In subsection (d)(2)(ii) of this section, the former phrase "containing provisions" that substantially conform to the Minimum Livability Code is deleted as surplusage.

In subsection (f)(2) of this section, the reference to "alternative" housing is substituted for the former reference to "alternate" housing to use a more precise word.

Also in subsection (f)(2) of this section, the reference to an "individual" is substituted for the former reference to a "person" because only a human being, and not the other kinds of entities included in the defined term "person", are subject to displacement under this section.

In subsection (g)(2) of this section, the reference to a "tenant" of a unit of rental housing is substituted for the former reference to an "occupant" for consistency with subsection (g)(1) of this section.

In subsection (i)(3) of this section, the reference to local "money" is substituted for the former reference to local "resources" for consistency with terminology used throughout this article.

Defined term: "Person" § 1-101
