REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 16A, § 6D.

In subsection (a)(1) of this section, the reference to the "other" state is substituted for the former reference to the state "requesting assistance" for brevity.

In subsections (a)(2) and (b)(1) of this section, the reference to "the effect of any" statute, rule, or regulation is added for clarity.

In subsection (b)(4)(i) of this section, the phrase "to publicize its contents" is substituted for the former phrase "to bring its contents to the attention of the general public" for clarity and brevity.

In subsection (b)(4)(ii)3 of this section, the reference to each "agency of the State or a political subdivision" is substituted for the former reference to each "State or local agency" for clarity and consistency throughout this section and this subtitle.
