

AND as in these times of public danger, and until a reconciliation with Great Britain, on constitutional principles is effected (an event we most ardently wish may soon take place) the energy of government may be greatly impaired, so that even zeal unrestrained, may be productive of anarchy and confusion; WE do in like manner unite, associate, and solemnly engage in maintenance of good order, and the public peace, to support the civil power in the due execution of the laws, so far as may be consistent with the present plan of opposition; and to defend with our utmost power all persons from every species of outrage to themselves or their property, and to prevent any punishment, from being inflicted on any offenders, other than such, as shall be adjudged by the civil magistrate, continental congress, our convention, council of safety, or committees of observation.
