

Original Journal. Message from the Govern^r and Council brought by Cap^t Addison and M^r Brookes which was read as followes Viz^t

By the Hon^{ble} Council June 8th 1692.

1 This board puseing the Act for paym^t of the publick charge find an Article to his Ex^{ncy} the Governor as a Gratuity w^{ch} this board conceiue is very vnsuitable for his great charge trouble & Vnd^rtakeing in the peaceable and happy Setlem^t of the Governm^t of this Province especially considering a larger gratuity giuen to a p^{son} of an Inferio^r capacity in the same Act allowed, which this board desire may be Rectified.

2. This board finding that in M^r Lynes acc^t of publick Expences of this hon^{ble} Council, that each perticuler Article is charged to their perticuler acc^{ts} w^{ch} as this board is informed, the said Lynes is Ordrd to referr himselfe to them for Sattisfaccōn, Notwithstanding by his Exencys Speciall Comand they came downe to Attend him vpon his arrivall and vpon Surrender [of the government, and since] called downe vpon other [emergent occasions, which also this Board] desire may be rectif[ied].

3 This board Likewise [desire that some consideration may be taken in] Relation to the last [year's levy, that your House would] propose some [method of full satisfaction of all Bills] of Exch^a [drawn by the naval officers that are in the country] and others [that may come in protested on the same account next] Shipping Wherein if due care [be not taken it will destroy and render] the Creditt of the Countrey [insignificant and poor, very injurious] to many good people [living in and trading to the same].
