

LIBER RR. Original. 1671-1685/6.

A small folio, bound in law sheep: 320 pp. text, paged, and 27 pp. index. Perfect and in excellent preservation. Begins with a proclamation of Gov. Charles Calvert, Decr. 8, 1671.

This book, so far as it overlaps the preceding volume, seems to be devoted chiefly to public documents, such as instructions, proclamations, commissions, etc. After the previous volume leaves off, the Council Proceedings are continued in this.
