I have your favour of the 3rd instant by the Waggon which delivered me seven Barrells of Salt, and you may rely on my utmost exertions to forward all the provisions I have here to George Town, agreeable to your directions.

I shall send a Waggon Load off on friday as I cannot procure one sooner, and continue to send it forward with the utmost dispatch.

I wrote you fully some time agoe on this subject, but was not favoured with an answer

If I am to Continue the purchase with money pray supply with that article immediately—at any rate I shall consider myself much
