Mar. 24

Ordered, That a Message be prepared to the Upper House acquainting them therewith.

Ordered, That the several Gentlemen appointed last Session upon the Committee of Elections and Privileges, the Committee of Grievances and Courts of Justice, the Committee of Accounts, the Committee to inspect the several publick Offices, and the Committee to inspect the Arms and Ammunition, be continued upon the said several Committees this Session.

The following Resolve :

Resolved by the House, That the Members, who shall be appointed as Members of the Committee of Aggrievances, have likewise the Character of a Committee for Courts of Justice; and that that Character, and the Duty of such Committee, be annexed to the said Committee of Aggrievances, as a standing Part of their Duty. And, that it be an Instruction to the said Committee of Courts of Justice, that they observe the Nature of all the Commissions to the several Courts of Judicature within this Province, and that they especially observe any Alterations that may at any Time happen, by accidental Omission or otherwise, therein; and particularly relating to such Words therein, as the several Judges and Justices to hear, try, and determine according to the Laws, Statutes, Ordinances, and reasonable Customs of England and of this Province, or to such other Words as have Relation thereto; and that they shall immediately make Report to the House of any Alteration that shall at any Time happen in such Commission; and likewise to have Regard, as near as may be, to observe wherein they differ from the Forms of the several Sorts of Commissions to the Judges and Justices in England; and also to enquire and report, whether it appears that the several Magistrates in this Province have been duly qualified agreeable to Law.
