Ordered that the western shore Treasurer pay to William Gilmour Eighteen pounds fifteen shillings on Account,

That the said Treasurer pay to William A Needham Five pounds, twelve shillings and six pence for three months half pay due the 1st May last.

In Council July 20, 1793

Redmond Barry by his Petition sets forth, that he was recognized in the sum of [p. 249] ten pounds Current Money for the appearance of a certain Margaret Bryan before the Justices of Baltimore County Court of Oyer and terminer and goal delivery, at November term last on behalf of the State against a certain Michael Talbot, that at the said term the said Margaret did not appear, that through his ignorance of the law and the practice of the said Court, he neglected to bring the said Margaret into Court agreeably to the tenor of his recognizance, whereby the same became forfeited, as appears by a Certificate from the Clerk of the said Court, that the payment of the said forfeiture would be ruinous to his family. The Board taking into consideration the matters set forth in the said Petition and the circumstances of the Petitioner, and three of the Justices of the said Court having recommended a remission of the forfeiture, it is hereby ordered that eight pounds of the said forfeiture be remitted upon payment of the Costs arising thereon.
