Mr. BERRY of Baltimore county. I know how perplexing is this previous question; and although I have somewhat hastily looked at the authorities with regard to it, my mind is not yet clear with regard to it, nor do I fully understand the amendment proposed by my friend from Allegany. I think that it is a question of so much importance, just at this time, that the consideration of the rule would better lie over until to-morrow, until we can see the amendment, and can examine the matter; and for that reason I move that the Convention adjourn.

The motion was agreed to, and

On motion of Mr. Galloway,

Ordered, That the Committee on Accounts be directed to examine and settle the accounts for repairing and fitting up the Hall for the use of the Convention, under an order of the Legislature.

Mr. PURNELL submitted the following preamble and resolutions:

WHEREAS, It is a matter of great importance that there should be a prompt and faithful attendance of the members and officers of this Convention, for the performance of the duties entrusted to them in their respective committees, as well as during the sessions of this body; therefore, be it
