

this session. Hearings will be held tomorrow, commencing at 10:00 A.M., in the regular meeting place of that committee when we will hear from Delegate Matthews, a member of the House of Delegates, Senator Wineland of Prince George's County, and the Mayors of Snow Hill, Ocean City, Berlin, and Pocomoke City are coming in. Tomorrow evening at 7:00 P.M. in the Baltimore City delegation room there is a broad ranging and wide open hearing to which we have invited citizens to get their views on any part of the local government proposals that are before the committee.

THE PRESIDENT: Delegate Gallagher?

DELEGATE GALLAGHER: Mr. President, the Committee on the Legislative Branch will meet at quarter of three this afternoon to consider a number of subcommittee reports. We will meet tonight at 7:45 to hear from various members of the General Assembly. We will meet tomorrow morning at 9:30 A.M. to hear from Delegate Houck, the Chairman of the Ways and Means Committee of the House, and again tomorrow evening to hear from additional members of the General Assembly.

I report regretfully to you, Mr. President, and, ladies and gentlemen of the Convention, that Delegate Royce Hanson has come down with a case of mumps and will be lost to us for approximately a week. To those of you who may have been exposed to him, my regrets.

THE PRESIDENT: Delegate Boyer?

DELEGATE BOYER: Mr. President, the Committee on General Provisions will continue its hearings on public education this afternoon by hearing from Mr. Lloyd Hoover, President of the Teachers Association of Prince George's County. Tomorrow morning we will engage on a new phase of the educational process of higher education by hearing tomorrow from Dr. Howard Boozer. We will meet, the committee knows, at 10:00 A.M. sharp.

THE PRESIDENT: Are there any other announcements? Delegate Penniman?

DELEGATE PENNIMAN: Mr. President, I wish to announce that the Committee on Style will not meet this afternoon as it was scheduled. The next meeting will be on Monday afternoon at 3:15 P.M., at which time we will select a vice chairman, as well as conduct some other business.

THE PRESIDENT: Delegate Kiefer?

DELEGATE KIEFER: The Committee on Personal Rights and the Preamble had

not scheduled any further hearings this week. We are beginning to shake down and sift out some of these 60 odd proposals that have been referred to this committee. We are getting to do a little discussing and maybe hopefully getting some of the issues in the position that they can be submitted to this Convention.

THE PRESIDENT: Are there any other announcements by committee chairmen? Delegate Scanlan?

DELEGATE SCANLAN: Mr. President, I am happy to announce the Rules Committee unanimously elected Clinton Bamberger as Vice-Chairman at its meeting yesterday. The next meeting of the committee will be held at 12 noon tomorrow at which time we will take up Delegate Hickman's Proposal No. 4, Senator Malkus' "Mighty Oak" Resolution, which I believe is Resolution No. 5, and also the motion that has just been distributed, I believe Motion No. 2, by Delegates Johnson and Rybczynski.

THE PRESIDENT: Delegate Storm.

DELEGATE STORM: Mr. President, I rise to announce or memorialize another birth. One half of four score and several years ago, our forefathers, or his father, well, in fact, it was his mother brought forth on this continent in the State of Maryland a man child destined to become one of the most prominent of our citizens and a member of this august body. I hope that in adjourning today Chairman Powers will properly recognize the birth of Samuel W. Barrick.

THE PRESIDENT: Are there any other announcements? There is one announcement that I neglected to make that I am reminded of, following Delegate Scanlan's announcement as to the hearing by the Rules Committee. The documentary film, "Mighty Oak," we thought would be here yesterday. It is not. I do not know whether it arrived today or not. If so, we will advise the delegates there is a room set apart in the basement of this building for the showing of the documentary film to visiting groups. I understand that it will accommodate at best perhaps 50 people at a time. The only larger room that is available to the Convention for the showing of the film is the principal hearing room but that will seat approximately 100. The film, once it is here, will remain here constantly and we will schedule a number of showings so that all delegates may see it. I have also asked the producer of the film in Baltimore to send us the written transcript of the dialogue of the film and as soon as that is received,
