Note: Of the twenty-seven original members of the Commission, twenty-one were appointed to serve on three committees each. The exceptions were Governor Lane and Mr. Eney, who were ex officio members of each committee; Mr. Martineau, who was appointed to only two committees because of his position as secretary of the Commission; Judge McWilliams and Mr. Scanlan, who were appointed to only two committees because of their chairmanship of committees which were thought to be especially demanding; and Judge Walsh, who was appointed to only two committees by request.

When the pace of committee and Commission meeting's quickened toward the beginning of the summer of 1966, each Commission member who was serving on three committees was removed from one committee, with the exception of Mrs. Freedlander and Mr. Gentry. Persons appointed to fill vacancies were each appointed to membership on two committees.
