The State Accident Fund, originally a part of the State Industrial Accident Commission, was established as a separate agency by Chapter 504, Acts of 1941. It is directed by a five-man Board, appointed by the Governor for five-year terms, one term expiring each year. The Board elects its officers annually. It administers the State Accident Fund, which is the State's Workmen's Compensation Insurance Carrier. Through the Fund, employers may carry insurance for the payment of claims that may arise from accidents and injuries to their employees as allowed under the Workmen's Compensation Law. All expenses of the agency are paid out of income from premiums paid and interest on Fund investment. The State Treasury is prepaid for operating expenses of the Fund (Code 1957, 1964 Repl. Vol., Art. 101, secs. 70-71).
