The Maryland Higher Education Loan Corporation, created by Chapter 589, Acts of 1963, consists of eleven members. The Chairman of the State Scholarship Board and the President of the University of Maryland, or their designated representatives, serve as ex officio members. The remaining members are appointed by the Governor with the advice and consent of the Senate. The Governor designates the Chairman and the Vice Chairman.

The Corporation has the power to lend money to residents of the State who are attending or are planning to attend colleges within or without the State. The Corporation may accept gifts, bequests and governmental appropriations or grants for its purposes. The Corporation is also empowered to establish rules and regulations for the granting, administration, and repayment of student loans.

Program changes enacted by the 1966 and the 1967 sessions of the General Assembly enable the Corporation to enter into agreements with the U. S. Office of Education under which the Federal government will provide repayable advance funds to be added to the student loan reserve and makes Maryland residents eligible to receive a Federal subsidy for part of the interest on their loans (Code 1957, 1965 Repl. Vol., 1968 Supp., Art. 43A).
