The State Board of Podiatric Medical Examiners was created in 1916 as the State Board of Chiropody Examiners (Chapter 173, Acts of 1916). In 1965, it became the State Board of Podiatry Examiners (Chapter 416, Acts of 1965). The Board was renamed the State Board of Podiatric Medical Examiners in 1986 (Chapter 243, Acts of 1986). The Board examines all persons who wish to practice podiatry in the State. The examinations, which may be written, oral, or practical, are given twice yearly. Applicants must have at least two years of education in a recognized college of arts and sciences and be graduates of a college of podiatric medicine recognized by the American Podiatry Association.

The Board also issues biennial licenses to all podiatrists engaged in active practice within the State. The Board may, after a hearing, revoke the license of any podiatrist who is charged with malpractice or unethical conduct.

The Board consists of six members appointed by the Governor with the advice of the Secretary of Health and Mental Hygiene. Five are licensed podiatrists chosen from a list submitted by the Maryland Podiatric Medical Association. One is a consumer appointed with the advice and consent of the Senate. Members serve five-year terms.

Authorization for the Board continues until July 1, 1992 (Code Health Occupations Article, secs. 15-101 through 15-602).

The practice of psychology in Maryland is regulated by the State Board of Examiners of Psychologists. Established in 1957, the Board evaluates the qualifications of psychologists in the State and issues licenses to those who fulfill the requirements (Chapter 748, Acts of 1957). Licenses must be renewed biennially. The Board administers examinations to qualified applicants for licensing at least twice each year. The Board maintains a roster of psychologists licensed in the State.

The Board consists of six members. Five are psychologists appointed by the Governor upon
