

We are grateful to our colleagues at the State Archives for this achievement. Indeed, the *Manual* would not have appeared without their efforts. Special thanks are due to archivists, Patricia V. Melville and Christopher N. Allan, who supervised preparation and transport, and to those who literally bore the burden of heavy records. Interns Brad Adams, Trevor Burnard, George Clare, Thomas Harkins, Susan King, Diana Shenk, Wilder Stewart, Vivian Strache, and Mark Vargas displayed good humour as well as fortitude. Our archival staff of Richard A. Blondo, Nancy M. Bramucci, Stephen O. Cooper, Susan R. Cummings, Mattie Virginia George, Phebe R. Jacobsen, Douglas P. McElrath, Connie R. Neale, Robert A. Oszakiewski, Benjamin M. Primer, Richard H. Richardson, Kevin J. Swanson, Mary E.(Mame) Warren, and Donald A. Williams patiently and steadfastly labored to safeguard the records. We dedicate this edition of the *Maryland Manual* to them.
