The Property Tax Assessment Appeals Boards are responsible for hearing appeals filed over values assessed against property in the twenty-three Maryland counties and Baltimore City. The Office of the Administrator coordinates administrative, regulatory, budgetary, personnel, and legal support to these twenty-four local boards. The Administrator promulgates uniform rules and regulations and is responsible for their application. The Administrator also devises and provides any statements advising taxpayers of their

right to appeal, notices, or other reports required by the local boards.

A Property Tax Assessment Appeals Board exists for each county and Baltimore City. The Board has jurisdiction over all appeals in its area concerning property tax assessments, Homeowner's Tax Credit Program, Renter's Tax Credit Program, Agricultural Land Preservation Easement Program, and any other local tax matters that the General Assembly assigns to the Board for hearing. This jurisdiction includes but is not limited to appeals concerning local tax credits, local taxes, and special taxing areas (Code Tax—Property Article, Title 3).

Each Property Tax Assessment Appeals Board consists of three members and one alternate. Members are appointed by the Governor for five-year terms. The Governor designates the chairperson.
