

STATE COORDINATING COUNCIL

Chair: Richard J. Steinke, designee of State Superintendent of Schools
 Donjuan L. Williams, *Executive Director*
 (410) 767-6229

In 1982, the State Coordinating Council was formed by the Governor as the State Coordinating Council for Residential Placement of Handicapped Children (Executive Order 01.01.1982.09). The Governor reestablished the Council within the Office for Handicapped Individuals in 1987 (Executive Order 01.01.1987.10). The Council was transferred to the Office for Children, Youth, and Families in 1990 (Chapter 419, Acts of 1990). In 1993, the Council received its present name (Chapter 556, Acts of 1993).

The Council has developed procedures for Local Coordinating Councils to ensure that children with disabilities in residential placement receive a complete plan of care. With the Local Coordinating Councils, the State Coordinating Council monitors services for children with disabilities who may need or are in residential placement. It also maintains an information system that assures agency accountability to children with disabilities and enables the State to plan for needed services.

Seven members constitute the State Coordinating Council. Six serve ex officio. One is a nonvoting member (Code 1957, Art. 49D, secs. 13-20).

CHILDREN'S COUNCILS

Children's Councils exist in each county and Baltimore City. They evaluate local public and private programs, services, and plans for children; analyze departmental plans and budgets affecting these programs and services; and review the use and availability of federal, State, local and private funds. The Councils advise their local government and the Office for Children, Youth, and Families on needs, resources, and priorities. They also provide information on children's programs and services.

Each Council is appointed by the chief executive officer of the county. For Baltimore City, appointments are made by the Mayor. Members serve three-year terms (Code 1957, Art. 49D, sec. 5).
