

The first part of the book is devoted to a general
 introduction of the subject. It is divided into
 two parts: the first part is devoted to the
 history of the subject, and the second part
 is devoted to the present state of the
 subject. The first part is divided into
 three sections: the first section is devoted
 to the history of the subject from the
 beginning of the world to the present
 time, the second section is devoted to
 the history of the subject from the
 present time to the future, and the
 third section is devoted to the history
 of the subject from the future to the
 end of the world. The second part is
 divided into two sections: the first
 section is devoted to the present state
 of the subject, and the second section
 is devoted to the future state of the
 subject. The first section is divided
 into three parts: the first part is
 devoted to the present state of the
 subject in the United States, the
 second part is devoted to the present
 state of the subject in Europe, and
 the third part is devoted to the
 present state of the subject in Asia.
 The second section is divided into
 two parts: the first part is devoted
 to the future state of the subject in
 the United States, and the second part
 is devoted to the future state of the
 subject in Europe. The first part of
 the book is written in a simple and
 plain style, and the second part is
 written in a more elevated and
 philosophical style. The book is
 written in a clear and concise manner,
 and is well adapted for the use of
 students and teachers alike. It is
 a valuable work, and one that
 should be read by every student of
 the subject.
