

amounting in the aggregate to \$124,746.62, at the close of the fiscal year, some of which however have been paid into the Treasury since the close of the fiscal year, as noted in said table.

"Table No. 19" shows special appropriations made by the Legislature paid during the fiscal year 1888.

"Table No. 20" shows in detail the disbursements made during the fiscal year 1888, from the Contingent Fund of the Comptroller, and "Table No. 21" shows in detail the disbursements of the Contingent Fund of the Treasury Department during the fiscal year 1888. The statement of the rents of the State Tobacco Warehouse Wharves, required by Joint Resolution No. 13 of 1886, is appended, showing the indebtedness of the Warehouses to the State to be \$161,214.68 at the close of the fiscal year.

"Appendix No. 2" contains a number of tables, showing reports from various Officers, and other matters, furnishing data for the arrival at correct ascertainment of amounts in preceding statements.

I have thus gone over the various operations of the Department during the fiscal year quite fully, without much comment, further than calling your attention to important items in the tables, which fully explain themselves.

In conclusion, I congratulate you on the excellent condition of the finances of the State, her very high credit, and the evidences of prosperity of the people, so far as the same can be influenced by a judicious and sound administration of the State government.

Respectfully submitted,

L. VICTOR BAUGHMAN,

Comptroller.
