

## **INTRODUCTION**

The Annual Report of the Comptroller of the Treasury of Maryland is contained in two volumes. The first volume contains the Financial Statements of the State of Maryland for the fiscal year 1979 prepared in conformity with generally accepted accounting principles and certain other financial data in compliance with Section 9 of Article 19 of the Annotated Code of Maryland. The Financial Statement Volume also contains a reconciliation of the budgetary general fund balance shown in this Supplemental Volume to the balance presented in the general purpose financial statements.

This Supplemental Volume contains selected detailed financial data for the Fiscal Year 1979 which is presented on the basis of accounting used for budgetary reporting.
