

PREFACE.

The purpose of this Supplement is to bring the Annotated Code of Maryland down to date. The Supplement was legalized and made evidence of the law by the Act of 1935, Chapter 110. It supersedes the 1929 Supplement and includes the Public General Laws of 1927, 1929, 1931, 1933, 1933 Special Session and 1935, and annotations of all decisions in 144 to 167 Md., 263 to 292 U. S., 68 to 78 L. Ed., and 297 Fed. to 74 Fed. (2nd Series), all inclusive, construing or referring to the Public General Laws or the Constitution of Maryland.

No change has been made in the numbering of existing sections but in some instances, new sections have been lettered. In case of annotations of a section which was not amended, enacted or repealed since the 1924 edition of the Code, the number of that section is printed followed by the notes. An effort has been made to call attention to cases where a statute has been amended subsequent to a decision but attention should be given this matter by those using the volume. The annotations in Volume 1 or Volume 2, as the case may be, should, of course be consulted, as well as those in this Supplement.

Tables of the Acts of 1927, 1929, 1931, 1933, 1933 Special Session and 1935 appearing in this Supplement will be found in the Appendix preceding the Index.

Grateful acknowledgment is made of the assistance rendered by Misses Ella S. Hitchcock, Nellie M. Webster and Mary Alice Flack in the preparation of this book.

HORACE E. FLACK.
