RESOLUTIONS.

The copy of the following resolutions was handed to the printer too late to be inserted in their place with the other resolutions:

No. 116.

Passed March 9, 1826. *Whereas*, the Visitors and Governors of St. John's College, have resolved to establish a professorship for the instruction of the students of the institution in the science of civil engineering and military tactics: and the legislature being disposed to encourage them in the establishment of such a professorship; Therefore *Resolved*, That the governor and council be, and they are hereby authorised to loan to the Visitors and Governors of the said institution, so many and such arms as they may require, upon the said Visitors and governors giving satisfactory security to the executive for the safe keep-
