

1 MR. SARTORIUS: No, sir. We don't get the
2 money. We don't get the money from the State. The
3 estimates are submitted at the time of the budget, but
4 the payments are made on actual numbers.

5 MR. ENEY: What happens to it in the State
6 budget?

7 DR. ZIMMERMAN: It reverts. That is what I
8 was talking about. It goes back.

9 MR. ENEY: To the general fund?

10 DR. ZIMMERMAN: That is the million dollars
11 I was talking about.

12 MR. ENEY: It goes back to the general fund?

13 DR. ZIMMERMAN: That's right.

14 MR. ENEY: What about the money that is
15 matched by the State?

16 DR. ZIMMERMAN: It doesn't appropriate money
17 on any per pupil basis.

18 MR. ENEY: I know that, but you have matching
19 funds and your request from the county for funds neces-
20 sarily reflects the estimate of the pupils in schools
21 generally. If they prove to be erroneous, do you just
