

MRS. MARY E. EVANS.

Wife of Grand Master Evans.

Mrs. Evans represented England in the great Masonic Queens Rally last April, and was crowned Queen, having raised the largest amount over the other twenty-five contestants, bringing in \$427.50. This was the greatest affair that was ever pulled off in Baltimore, taking in almost four thousand dollars in one night, and was held at the Lyric, the largest Opera House in the South. On this occasion there were over four thousand five hundred admitted and more than a thousand turned away who could not get standing room.
