

TO THE PUBLIC.

Great Saving of Money and Health!

I have purchased a Shop Right of

HALL'S

Patent Improved Condensing

COFFEE POT,

Warranted to Save at least a Third of the Coffee, and still produce a Superior Beverage.

It is one of the greatest improvements of the age, and every family should have one in use.

The public is respectfully invited to call and see for themselves. I manufacture and have them for sale, with full directions for using them at my store,

No. 88 North Howard-st., Baltimore.

To J. E. HALL, Esq.

Dear Sir,—We have used your Patent Coffee Pot, and take pleasure in recommending it to the public as one of the best inventions of the kind in use. It is a great saving in coffee, and makes the coffee much better in flavor and color than the old method of making coffee.

Yours, very respectfully, &c.
