

Potomac River at White's Ferry to connect Montgomery County, Maryland, with Loudoun County, Virginia; and

WHEREAS, The erection of such a bridge will be greatly to the advantage of the citizens of both States and the cost therefor should be borne by each State equally; therefore, be it

*Resolved by the General Assembly of Maryland,* That a committee of three be appointed by the Governor of Maryland who may confer with such committee as may be appointed on the part of Virginia on the advisability and feasibility and the approximate cost of the erection and construction of a suitable bridge from White's Ferry aforesaid across the Potomac River to Loudoun County aforesaid, and the part each State should pay for the cost thereof, and the manner in which the cost therefor shall be raised and whether or not a toll should be charged for the use of said bridge, and, if so, the amount and manner and method of the collection of such toll and the joint legislation necessary for said purposes; and be it further

*Resolved,* That the said committee, upon the completion of the investigation and conference aforesaid, shall report in writing the results thereof, together with their own conclusion to the next General Assembly of Maryland for its action in the premises.

Approved February 26, 1924.

NO. 3.

Joint Resolution and Memorial of the General Assembly of Maryland to the Representatives of the State of Maryland in the United States Senate and in the House of Representatives in Congress assembled, requesting them to use their best efforts with the Secretary of Agriculture to change the name now applied to wheat grown in the State of Maryland and adjacent States, and, failing in same, to endeavor to enact in their respective Houses legislation to procure such change.

WHEREAS, Standards for the various grades of grain have been adopted and made applicable to all grain entering into interstate commerce;

WHEREAS, In determining said grades they have been divided as to wheat into certain classes or sub-divisions and names have been given to said sub-divisions; and
