

shall be deemed guilty of a misdemeanor and be fined not more than twenty dollars.

227. It shall be the duty of the Police Commissioner of Baltimore City, between the tenth and thirtieth day of November in each year, to cause a census, as nearly as possible accurate, to be made by members of the force under his command, of every child from five to eighteen years of age, inclusive, resident in said city. The Police Commissioner shall, for the purpose of taking said census, divide the city into such posts, districts, or other subdivisions as he shall determine. The said census shall give the full name, address, age, color, sex and place of birth of each child, whether or not such child is handicapped, the school attended, or if not at school, his employment or that he is not employed, and the place of birth of each parent of said child, and the full and complete records of said census shall be furnished by said Police Commissioner to the Board of School Commissioners of Baltimore City on or before the tenth day of December in each and every year. Whosoever has under his control a child between said ages and withholds the information in his possession from any officer demanding it relating to the items aforesaid, or makes any false statement in regard to the same, shall be deemed guilty of a misdemeanor and be fined not more than twenty dollars.

235. The principal teacher of every public school in the counties shall, within thirty days from the beginning of the school year succeeding March 31, 1906, furnish the County Board of Education with the names of all handicapped children between the ages of six and eighteen years, inclusive, living within the boundaries of his or her school district who do or do not attend school. And the County Board of Education shall certify forthwith the names of all such handicapped children to the State Board of Education, which shall send appropriate lists to the State Board of Health and to the principals of the respective State Schools for handicapped children.

235A. It shall be the duty of the State Board of Health, upon receipt of information as to handicapped children, as provided for in Sections 36 and 235 hereof, to, in so far as possible, cause each physically handicapped child to be examined and to be appropriately classified according to the nature and degree of his or her handicap. The State Board of Health shall
