

ever, that any party aggrieved by said action of the Board may within ten days from the date of the decision of the Board appeal from the action of the Board to the State License Bureau upon full payment of all costs of the proceedings as hereinafter provided; and that noting of such appeal and payment of said costs shall stay the order of the Board pending the determination of the appeal. The said Board shall not be required to forward any such papers or transcribe any such testimony until the appellant has paid or secured to be paid all costs incident to the hearing. It shall be the duty of the State License Bureau to hear and determine all such appeals within thirty days from the date of the receipt of the papers and testimony from the Board originally hearing the application, complaint or charges, and if the decision appealed from is reversed the costs paid by the appellants shall be recoverable by the appellants from the appellees, in a civil action.

SEC. 3. *And be it further enacted.* That this Act shall take effect on June 1st, 1939.

Approved May 24, 1939.

CHAPTER 765.

(Senate Bill 374)

AN ACT to add five new sections to Article 33 of the Annotated Code of Maryland, title "Elections," sub-title "Voting Machines", relating to the use of voting machines in Baltimore County; providing, at the option of and in the discretion of the Board of Supervisors of Election and the Board of County Commissioners of Baltimore County, for the purchase, rent or lease of voting machines for use in any or all of the polling places of Baltimore County; providing for the rearranging of precinct boundaries, if deemed advisable, for the use of voting machines; providing for the elimination of clerks of election where voting machines are used; providing for the preparation and form of ballots for use in voting machines, for the time allowed each voter, for the duties of election officials, for procedure in contested elections, for the opening and closing of polls where voting machines are used; defining terms, fixing requirements as to the nature and construction of voting machines which may be used and the form of ballot labels for voting machines; providing for the preparation of voting
