

WHEREAS, a Commission was appointed pursuant to this Resolution and was re-appointed pursuant to Joint Resolution No. 4 of 1949; and

WHEREAS, because of the unusual magnitude of this task and because of the limited time for the consideration of this important subject at the Session of 1950, the said Commission deems it best not to submit its proposed revision of the corporation laws until the regular Session of 1951; now therefore be it

*Resolved by the General Assembly of Maryland, That the Commission appointed to study and revise the general corporation laws pursuant to the provisions of Joint Resolution No. 4 of 1949, be and the same is hereby continued until the General Assembly shall convene in 1951, the said Commission being requested to submit the results of its work with its recommendations to the Legislative Council on or before October 1, 1950, if practicable, and to the General Assembly at the beginning of its Session in 1951.*

Approved March 28, 1950.

No. 9

(House Joint Resolution 10)

Resolution to continue the Commission on noxious fumes.

WHEREAS, the Governor of Maryland, pursuant to Joint Resolution No. 16 as adopted in the Regular Session of 1949, appointed the Commission on Noxious Fumes to study the possible ill effects of industrial and other fumes upon the health and welfare of the citizens of Maryland; and

WHEREAS, this Commission was appointed and spent several months in its task; and

WHEREAS, because of the unusual magnitude of a study of poisonous and noxious fumes, the Commission did not have time prior to the Session of 1950 to make a thorough and intensive study of the subject of noxious fumes; now therefore be it
