

which the said Commission may issue under authority which has been conferred upon said Commission.

WHEREAS, the Washington Suburban Sanitary Commission is charged with the responsibility of furnishing sanitary facilities to certain sections of Montgomery and Prince George's Counties; and

WHEREAS, the unprecedented growth in population of the area within the Washington Suburban Sanitary District has made it necessary for the Washington Suburban Sanitary Commission greatly to increase its installations and employees; and

WHEREAS, its present office space is totally inadequate for the amount of work which the Commission is now called upon to do; and

WHEREAS, it is particularly essential that space be provided to house meters and other equipment and devices which will show whether the water being supplied contains the proper and necessary solutions to safeguard the health of those using the water; and

WHEREAS, it is also necessary to house equipment which will show water pressure at one central location; and

WHEREAS, it is also essential that proper facilities and equipment be provided and housing facilities made available for such equipment and the employees operating same; therefore be it

*Resolved by the General Assembly of Maryland, That the Washington Suburban Sanitary Commission be and it is hereby requested to remodel and enlarge its general office building and to remodel its old office building in Hyattsville and to pay the cost of same from the proceeds of any issue of General Construction Bonds which the said Commission has authority to issue; and be it further*

*Resolved, That the Secretary of State be and he is hereby requested to send a copy of this resolution, under the Great Seal of the State of Maryland, to the Washington Suburban Sanitary Commission.*

Approved March 28, 1952.
