No. 3

(Senate Joint Resolution 7)

Senate Joint Resolution requesting the States of Virginia and North Carolina to join with Maryland in a concerted effort for the conservation of fin fish.

WHEREAS, Fishermen in the States of North Carolina, Virginia and Maryland have become alarmed over the decline of migratory fin fish and are aware that action by one State alone would not be sufficient to remedy this situation; now therefore be it

*Resolved by the General Assembly of Maryland*, That the States of Virginia and North Carolina are requested each to appoint a committee of five persons from among the membership of their State Legislatures to meet with a similar committee from the General Assembly of Maryland as soon as possible; and be it further

*Resolved*, That the said representatives from the several States be instructed to consider the conservation of migratory fin fish and problems common to the three States in
