Senate Bill No. 29—Erosion Laws

AN ACT to repeal and re-enact, with amendments, Section 163 (b) of Article 25 of the Annotated Code of Maryland (1957 Edition), title "County Commissioners", sub-title "Erosion", correcting errors in the cross-references contained in the law relating to the issue of bonds and notes to provide funds for the purchase and condemnation of property under the Erosion Act.

May 5, 1959.

The Honorable George W. Della
President of the Senate
State House
Annapolis, Maryland

Dear Mr. President:

As is necessary under Article II, Section 17, of the Constitution of Maryland in all cases where I have exercised my constitutional right of veto, I am returning to you Senate Bill No. 29, vetoed by me today.

During the recent session of the General Assembly, two bills were introduced in the Senate, both amending Section 163 (b) of Article 25 of the Annotated Code of Maryland, 1957 Edition. Both of these bills corrected a cross reference to section numbers therein.

I have recently been advised by the Attorney General's office that the subject matter covered in Senate Bill No. 29 is also covered in Senate Bill 141, and that to sign both of these bills would serve only as a duplication of the correction of cross references to such numbers. Senate Bill No. 141 has already been signed by me, and is Chapter 41 of the 1959 Laws of Maryland.

Since it is now unnecessary to sign Senate Bill No. 29 to accomplish the purpose for which it was intended, I am vetoing the same and returning it to your body.

Sincerely yours,

(s) J. MILLARD TAWES,

Governor.
