The Superintendent of Schools for any county or the Superintendent of Public Instruction of Baltimore City qualifying for the additional amount provided herein shall submit plans to the State Superintendent of Schools for his approval outlining the uses to which such funds are to be put.

128(b)(5-2)

The following amounts shall be added to the State's share of current expenses as determined either under paragraphs (5) and (5½) or (6) of this subsection.

(1) The adjusted assessed valuation of real property and the net taxable income for each of the several counties and Baltimore City shall be divided by the number of pupils enrolled in each county or Baltimore City, as these terms are defined in subsection (a) of this section. The resulting quotient for each county or Baltimore City then shall be divided into the quotient which results from the division of the total of all pupils enrolled in the State into the total of all of the adjusted assessed valuation of real property and the net taxable income of all of the counties and Baltimore City. The result for each county or Baltimore City rounded to the third decimal place shall be multiplied by the sum of \$22, and this product expressed in dollars and cents shall be multiplied by the number of pupils enrolled in each county and in Baltimore City. The resulting sum shall be paid by the State to each county or Baltimore City as an additional amount as provided in this paragraph.

(2) The sum of \$50.00 shall be multiplied by the increase in enrollment above September 30 of the preceding year. The resulting sum shall be paid by the State to each county or Baltimore City as an additional amount as provided in this paragraph.

SEC. 2. *And be it further enacted, That this Act shall take effect July 1, 1970.*
